# Powered

DJ and Photo Booth Services

Info@poweredav.com

### \$1399 – **Standard DJ Package** includes:

- 7 hours or less of service (ending at 1:30am or earlier)
  - Generally 5pm-12am or 6pm-1am
- Powered sound system for up approx 125 people
  - For larger groups or non-standard room layouts, it is recommended to add additional speakers (see Add-ons)
- Dance lights on stand
- 1 wireless microphone
- DJ with controller, laptop and music library
- Additional hours available at \$100 per hour

### \$1099 – **Basic DJ Package** includes:

- Ideal for corporate and religious events, or Stags and Does
- 5 hours or less of service (ending at 12am or earlier)
  - Generally 6pm-11pm
- Powered sound system for up approx 100 people
- 1 wired microphone, within 40' of the DJ
- DJ with controller, laptop and music library

### \$300 – **Ceremony add-on for any DJ Package:**

- Up to 2 hours of service
  - 30 minutes of prelude music before the ceremony start included in service time
- 1 powered speaker
- Up to 3 wireless microphones
- DJ and music library
- This assumes ceremony is at the same venue as the reception but can be in a different space with a separate set up
- If setup outdoors, cover is needed to protect the equipment, whether this is venue provided or can be an additional add-on (see 10'x10' Canopy Cover)

### \$1149 – **Photo Booth Package** includes:

- Up to 3 hours of service (ending at 12am or earlier)
- Photo booth
- On-site printer, unlimited prints
- Backdrop (silver sequin, other options available with notice)
- Props (optional)
- Host (Assisting your guests to take the best possible photos with framing, focus and fun)
- Custom text on each print (example event title and date) (optional)
- Digital copies of all photos provided by download link after the event (within 1 week)
- Additional hours available at \$100 per hour
- Add this to a DJ package to get a \$100 discount off the total price

## Add-ons

- \$80 each – **Additional wireless microphone**
  - Available as a lapel clip-on, handheld, or headset
- \$100 – **10'x10' Canopy Cover**
  - To provide cover to the DJ for outdoor setups, to protect from rain and sun
  - Required if no other source of cover is available
  - Optionally includes walls
- **Multiple DJ system setups**
  - Price varies based on specific needs, this is to be discussed between the client and a Powered AV representative ahead of time to confirm
  - May be required if using multiple rooms/locations at the venue
- \$80 each – **Additional powered speakers**
  - Provide better sound coverage for speeches in larger halls or with larger groups
  - Provide more volume for dancing with large groups
  - Can also be used to run audio to adjoining rooms/spaces, to allow simultaneous sound in multiple rooms/spaces
- \$80 each – **Additional dance lights on stand** (various dance lights available)
  - Reverse mirror ball for slow dancing
  - Laser
  - etc
- \$25 – **16" Spinning colour wheel**
  - Great for use with contests/giveaways
  - Can be used as part of a kissing game for weddings
  - Personalize what each of the 5 colours represent or request a suggestion list
- \$35 each – **Décor up-lighting**
  - Adds colour to the room, and can accent objects in the room
  - Choose from a variety of vibrant colours
  - Minimum 6 lights
- **Travel time**
  - Only applied if the venue is in excess of 45 minutes away from the west end of Ottawa
    - Examples: Montebello, Kingston, Toronto, Perth, Montreal, Cornwall, etc.
  - Price to be discussed on a case by case basis
- **Second DJ/technician**
  - Starting at \$300, contact Powered AV for an exact quote
  - Allows for greater interaction with your guests, from taking requests to reading the crowd to doing interactive dances (if desired)
  - May be required based on venue access and setup restrictions

- **\$250 – Projector and Screen**
  - Great for showing family photos and or videos during cocktails and dinner
  - 3500 lumen short throw projector
    - \$125 upgrade to a 5500 lumen short throw projector for larger screens and brighter rooms
  - Screen comes in multiple sizes depending on the size of the room and space available
    - Included options are:
      - 70”x70” pull up or tripod
      - 96” tripod
    - \$400 upgrade to any of the following (cost includes assistant for setup and tear down):
      - 6’x8’ front projection framed screen
      - 6’x8’ rear projection framed screen, requires projector upgrade
      - 8’x13’ front projection framed screen, requires projector upgrade
  - Optionally includes projector table
  - client to supply laptop, must have HDMI output connector
  - Optionally includes audio connection device
    - Client laptop must have working 1/8” headphone jack to connect to
  - Additional options available as well if requested
    - \$50 Perfect Cue presentation clicker
    - \$50 Video Switcher
    - \$50 100’ HDMI extender kit for interfacing with venue projectors
- **\$80 – Laptop**
  - For use with projector and screen to present client provided media (videos, PPT, slideshows, etc)
  - Presentation content must be provided in advance in order that it can be tested on the laptop
- **Audio setups for live performances**
  - contact a Powered AV representative to discuss the performers’ needs to get a specific quote
- **\$999 – Live Streaming**
  - 2 hours or less service
  - Professional-grade camera on tripod
  - Up to 3 wireless microphones
  - Audio mixing board
  - Streaming laptop
  - Technician
  - Digital copy provided by download link after the event (within 1 week)
  - Can be broadcast through client provided Zoom/Facebook/YouTube Live account
  - Requires on-site internet connection, hard line preferred but can use Wi-Fi if it is the only option
  - Add this to a DJ package to get a \$50 discount off the total price
- **Multiple event booking discounts available**
  - Discussed on a per client/event basis

\*No additional taxes on listed prices.

\*Packages are subject to change based on venue requirements.

\*All prices are subject to change, last updated February 18 2026.

\*Hours listed in all packages are in service time, setup and tear down of the equipment is done outside of those hours.

\*All bookings assume, and will state in the contract, that if the booking runs over a meal period that a meal will be provided for the on-site staff representing Powered AV.

\*All bookings require a minimum of a \$100 reservation fee to confirm the booking, this fee will count towards final payment
